25X1 7. [ ] George Murphy, Joint Committee on  
Atomic Energy staff, called and again renewed his request for the damage  
25X1 assessment [ ] I again restated the position taken by the  
Director on this at the time of the briefing of the Jackson Subcommittees  
and told Murphy that the situation had not changed. I told him again that  
as the Director had said at such time as information was available in the  
area of the Committee's interest, it would be provided. Murphy then  
advised that we would be receiving a letter from Mr. Conway, of the Joint  
Committee staff, on another subject and that it was being dispatched by  
AEC courier.

25X1 8. [ ] Joseph Crowley, Staff Assistant to  
Representative Howard W. Robison, called to inquire whether the Agency  
had any employment requirements that would include agriculture economists.  
He said a constituent of theirs who is a graduate of Cornell is interested in  
employment possibilities. I told Crowley I would check on this and be back  
in touch with him.

25X1 9. [ ] Mary Alice Gaines, in the office of  
Representative Edwin W. Edwards, called to inquire whether the Agency  
provided conducted tours of the Agency building. When advised that we  
do not have such tours, she then raised the question as to whether the Agency  
provided speakers for interested groups. She said she had in mind a Junior  
Chamber of Commerce organization. I told her I would look into this and  
be back in touch with her.

25X1 10. [ ] Delivered to Carl Marcy, Senate  
Foreign Relations Committee staff, to hold for Senator Fulbright, two  
blind memoranda, dated 21 November 1967, one "The USSR National Budget,"  
and the second, "Soviet and Chinese Aid to North Vietnam - 1965 and 1966."  
This arose out of the meeting of the CIA Subcommittees of the Senate on  
17 November 1967.

25X1 11. [ ] Talked with Mr. James Kendall, Senate  
Preparedness Investigating Subcommittee staff, and made arrangements for  
him to be briefed on the ICBM picture on 30 November at two o'clock. Also  
discussed with him the request of Ben Gilleas for NIEs. I explained that  
this was a developing problem and I wanted him to be alerted to it since we  
were most reluctant to extend existing arrangements.
